RE: Extension Request - Annual Status Report regarding 2-1-1 Implementation

Dear Mr. Derouen:

Pursuant to the Administrative Case No. 343 dated August 17, 2004, United Way of Kentucky is designated as the lead agency for implementation of the 2-1-1 dialing code in Kentucky. Today, I am writing to request an extension for the submission of the annual report on the progress of the 2-1-1 initiative. If possible, we would like to request that the submission date be extended by three weeks, from Sunday, August 31, 2014 to Friday, September 19, 2014.

We are requesting this extension due to a delay in receiving final details from one call center on reported activities.

We appreciate the ongoing support of statewide 2-1-1 by the Commission.

If you have any questions about the report or need any additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kevin Middleton", with a long horizontal flourish extending to the right.
